

## Sepia UI Kit Licence

This License allows you, the Downloader, a right to use this UI Kit for both personal and commercial projects. You may modify the resources according to your requirements and include them into works, such as websites, prints, apps or any other projects. Linkback to my site is highly appreciated but not necessary.

You do not have rights to redistribute, resell or offer files from this UI Kit to any third party. If you wish to promote any resources from me, you must link back to the resource page of that file where users can find the download button but not directly to the download file. Do not reproduce the Work as your own.

If you have any questions, feel free to contact me. If you have any feedback or suggestion, I'd love to hear from you.

Thank you,

**Jakub Kořla**
